

THE KROPPY CUP

Memorial Pond Hockey Tournament

Rules and Regulations

Tournament will take place annually on Family Day weekend from 9:00 AM to 9 PM in Kenora, Ontario at Rabbit Lake (Adjacent to the Kenora Sportsplex), near Bunny St. From Saturday February 15th until Sunday February 16th.

- Team registration will be made available from Wednesday January 22nd, 2020 on the StayInKenora.com website. Once the forms have been completed, please drop them off at the Kenora Comfort Inn Hotel (main desk in lobby), along with your team fees. It is on a first come, first serve basis. There will be 12 teams. Schedule will be released soon after all teams have registered. A receipt will be given as a confirmation of registration.
- Entry fee:
 - Open: \$400 per team – Open division is 15 years of age and up. (400/10= \$40 per player)
- Prize Money:
 - The Winning team takes approximately 80% or \$4000. That works out to \$400 per player on the team. Second place gets the remaining \$800.
- The rink surface measure approximately 100 feet by 200 feet.
- Surfaces will be scraped between games. Each team shall clear the snow before the game starts.
- Nets are 8 inches tall and 6 feet wide.
- Each team is guaranteed a minimum of 5 games during Round Robin. Your standings will determine what seed you are when the bracket is made.

- All players must wear hockey skates and hockey helmets (17 and under, full face cage or full-face visor as well). Additional protective equipment is optional but highly recommended.
- No goalie equipment or goal sticks permitted.
- All teams must have home (white) and away (dark) uniforms.
- Games consist of two 10-minute halves. An off-ice volunteer will monitor each game. Half time will be 3 minutes (or less if both teams are ready).
- Games start and end at the sound of the siren/horn. Any teams late for games will be penalized 1 goal for each minute late.
- After 5 minutes the late team will forfeit the game with a 10-0 score awarded to the opponent. There will be no rescheduled games – a forfeit is a forfeit.
- Teams are limited to 10 players with a maximum of 5 players on the ice at one time. (5 on 5)
- All games are running time and substitutions may be made “on the fly”. There is no stoppage of play after a goal is scored or a penalty is awarded. If the puck goes out at the end, possession automatically goes to the defending team.
- Teams will play rock-paper-scissors (Best of 3) to decide who gets to pick which side to start the game.
- Teams will switch ends at the half.
- Contacting the puck with a stick above the knee will result in a loss of possession. Raising the puck higher than the knee (shot, pass or otherwise) will result in a loss of possession at the place of the shot or pass.
- If a puck goes out of bounds on the side of the ice surface, the last team to touch it loses possession. Restart will take place nearest the location

where the puck left the playing surface. During restart, the defender must give his opponent 2-stick lengths of space.

- There are no off-sides or icing calls.
- ALL penalties result in a change of possession. Penalties are tracked by the Volunteer. At the end of regulation time, a penalty shot will be awarded for every minor penalty that has not been cancelled out by a penalty committed (i.e. differential in penalties committed vs. penalties sustained).
- Penalty shots are taken from the centre line (as determined by the volunteer) no goaltending/defending allowed. All players on the team shooting must shoot once before a repeat shooter is allowed.
- Major penalties will result in an immediate goal awarded to the opposing team and could result in a player ejection. A player that is ejected will have his/her case reviewed by the Head Volunteer and/or the organizing committee to determine if they may be allowed to return for the rest of the tournament.
- Teams must give their opponents 1/2 ice after a goal is scored or an infraction takes place. After each goal/infraction give opposing team 1/2 ice until puck OR player crosses half. Excessive delay in crossing half could result in a delay of game infraction (as per the judgement of the Volunteer).
- There are overtime periods if the game is tied in round robin play. During overtime, teams will play a 3-minute overtime. The team that scores the most will be declared the winner. If the score remains tied at the end of 3-minute overtime, play will continue unabated and the first team to score wins (Golden Goal/Sudden Death).
- The team cannot replace an ejected and/or injured player with an alternate player.

- For the first year, there will be **one division**, open: 15 and older. All teams make playoffs. Playoff format is determined by seeds. Your seeding is determined how you finish in Round Robin. In the Round Robin, each team will play each other once within your Pool (A or B) to determine where they stand going into the playoff bracket. All games will take place on Rabbit Lake through the course of the weekend. All Round Robin games will take place on Saturday (ALL DAY) & Sunday (MORNING) with the playoffs Sunday from 1 PM onwards. The playoff bracket is pictured below as **A2**. The standings are shown in **A1**; Pool A & Pool B. Your place in the standings after playing each team in your pool will determine what seed you are in the respective bracket. Pool A will be on the left and Pool B will be placed on the right. First and Second in each pool will receive a bye into the next round (quarters). The Round Robin schedule will be released after the team registration deadline.
- It is the responsibility of each Team Leader to ensure his/her team is aware of the Rules and Regulations.
- Team Leaders are required to attend a meeting Friday February 14th 5:00 PM at the Comfort Inn Hotel. Ask the reception as to where the meeting room is. Tournament rules and intent will be reviewed. Completed participant waiver forms (for all players on your team) and team lists (rosters) will be collected at this meeting.

Ranking for playoffs are based on the following:

- 1) Most points: 2 points for a win (including Overtime Win), 1 point for a tie (or Overtime Loss), 0 points for a loss. If a tie between teams exists go to step 2 for teams tied.
- 2) Winner of head to head. It does not matter whether the win was in Regular time or OT. All standings should be decided with this step.
